

Sk Herbal Products are all made from natural ingredients.

About SK Herbal

SK Herbal is a nature-focused cosmetic brand that brings its customers the highest quality products possible while ensuring that they are both easy to use and affordable. With a deep, sincere interest in the well-being of humans, animals, and plants alike, we believe that Nature and good health are the most valuable gifts offered to mankind.

Based on its solid infrastructure and consistent product quality, SK Herbal is one of the fastest growing and most professionally managed cosmetic companies in SE Asia. Our dedication to exceptionally high standards of products and services maximizes customer satisfaction and long-term profitability.

SK Herbal offers high-quality natural products made in Thailand and Korea. Teaming internationally recognized dermatologists with professional manufacturers, SK Herbal creates and delivers only the most trusted cosmetics and beauty care products.

Values

Offering a new standard of health, natural ingredients, and affordable products for all. We strive to use the most healthy and natural ingredients available while ensuring that our products are available and suitable to all. We believe that through communicating our vision and assisting people in taking better care of themselves and their appearance, we can inspire greater self-confidence, achievement, and fulfillment in our customers and their communities. As we care deeply about the challenges women face, we are dedicated to taking actions towards the Empowerment of Women as a core component of our practice of Corporate Social Responsibility.

Missions

Beauty is Healthy

Continuously offering the best beauty products available is the foundation for successful relationships with our valued partners and end-consumers. We deliver innovative, cutting-edge skincare solutions via ongoing collaboration with experts in Thailand and Korea. We work steadily to build the strongest present and brightest future we can.

SK Herbal

SK Herbal Products are all made from natural ingredients and are FDA/GMP/ISO certified. SK Herbal's reputation and profile are enjoying rapid growth in Southeast Asia.
